## **Major Decisions** ~~~~~

*Trust in the Lord with all your heart,  
And lean not on your own understanding;  
In all your ways acknowledge Him,  
And He shall direct your paths. ~ Proverbs 3:5-6*

When we were much younger, we often dreamt of becoming a doctor, teacher, athlete, artist, firefighter, or some other exciting professional. There were other times when we didn't know what we wanted to do. Then comes the time to prepare for college and you were either undecided or declared a major that you really weren't sure about.

Studies reveal that on average, college students change their major at least two times during their academic career. Obviously for some of us, it's a tough decision. If your decision is based upon salary or the "Top 10" ranked careers of the decade, you might lose sight of your true passion.

Careers and money are important, but a college degree is more than "I can get a good job now" certificate of completion. Work towards your passion and the money will come if you continue to pursue excellence and build meaningful relationships. Understand that a college education is a higher learning exploration that serves not only yourself, but other people. Seek the counsel of your academic advisor, or take a personal assessment test to help you discover your purpose in life. If you need to change your major, find out the process immediately so that you won't lose time or credit hours in the wrong field of study.

Always pray for guidance. This will help when you find yourself having to justify the desires of your heart when no one else can see the path that God has set for you.

## **Prayer for Major Decisions**

*Dear God,*

*You have helped me so many times with tough decisions. I thank you, Heavenly Father, for continuing guidance of the Holy Spirit along the way. I've reached another point during my academic journey where my choice of major doesn't seem right, and my delayed decisions are impeding my academic progress.*

*I seek your help, Dear Lord, because I want to be on the right path. Wasting time is a journey for those who are lost. Because I trust in your will and your way, I seek your divine blessing to help me gain a clear vision of purpose.*

*Please accept my prayer in Jesus Christ's Holy Name.*

*~ Amen*
